Revising the existing Rates of T A and D A payable to the non-official members of the Davangere city Municipality

From

The Commissioner Davangere city Mcpality

No H e 84/80 51 Dy 17 10 80

Forwards Proposals on the above

Municipal Collection 74 37 (234-74)

Sanctioning the Revision of the Rates of T A to non-official members and other members of the municipal Council in the State as put up According to these orders the Rates of T A and D A admissible to them are as follows

		D A	Mileage	By Fare
	Non official members	Rs 4/	annas four	1½ times II class
2	Vice pres -	Rs 4/	annas four	1½ times II class
3	others non official members	Re 1/	annas three	1½ times II class

2) The above Rates of allowances have been fixed so as to be on a par with those allowed to the non official members Vice pres and other members of the District Boards in the State

3) These Rates were fixed as long back

as 1938 and the expenses of travelling have now very much increased on the present altered conditions. Having regard to this fact, the Davangere city municipal Council has resolved on 19.7.58 to enhance the rates of D.A and T.A admissible to the non official presidents, vice-presidents and other members of municipal Councils in the State. Similarly if this is accepted and sanctioned, the rates of T.A to non official members of the District Boards will also perhaps have to be similarly revised. But this is a matter on which action has to be taken by the L.B. Branch and it only remains to say why & showing the repercussions which the acceptance of this proposal is likely to have.

4) There may be no need for revising the rates of railway fare but as regards Daily allowance, Govt have recently permitted an increase of 33 1/3 % over the old rates in the case of Govt officers and such an enhancement may perhaps be necessary and desirable in respect of the non official members of the municipal Councils also. The proposals however involve an additional expenditure to the municipalities and it is therefore for consideration whether the concurrence of the other municipal Councils may not be necessary.

5) If the recommendation of the P.O.A

5032/L

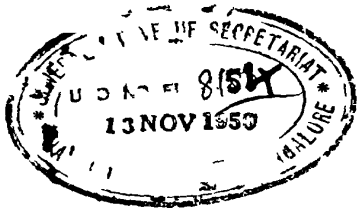
it to be accepted, the Accountant General has
will have to be consulted on appeals in the
the 1st instance

1/11/50 1 The resolution is very general and
if appd on principle will have to apply
to all the local bodies This is a matter
of policy

2 S of Secy 1/11/50

This should apply to District Boards
also and I think there is a case on this
subject There is very need to enhance the exist
existing rates

Financial Secretary (for comments) 4/11/50



8
At present the proposal is fundamentally unacceptable
Many of these local bodies are indebted to govt and
the case of the Hassan Dt Bd not paying the
penal interest on the loan nor repaying the instal-
ment of the debt on due dates is by no means unique when
these local bodies are unable to meet their obliga-
tions and come up to govt for assistance, they
should not seek to increase their recurring expendi-
ture on salaries, I A etc nor can some local
bodies have one rate and some another The en-
hancement will have repercussions on the person-
nel of many committees For the present till con-
ditions improve, the proposal may be over

Revision of Rates of T-1 to Municipal Councillors

The municipal Council, on 24.1.51 the previous Recommendation for enhancement of the Rates of T.A to the members of the municipal Council has been reviewed on the ground that the cost of living has now very much increased and that the members of the Various Bodies Councillors are paid a D.A of Rs 10/ The members of the Bhavanagar Councillors were paid Rs 10/ D.A and that the members of other Corporations are temporarily paid by the Finance Dept to pay the present Rates of the municipal Councillors are worked below

Sir,

Subject:- Revising the existing rates of Travelling allowance and daily allowance payable to the non-official members of the Davangere City Municipal Council

With reference to your letter No L 9729 dated 22-12-1950 5032 on the above subject stating that the proposal sent from this office for revising the existing rate of T A and D A to the non official members of this Municipality might lie over for the present, I write to state that this aspect of the question was considered by the Municipal Council at its general meeting held on 24-1-1951 and it was resolved that in view of the increased cost of living and to the fact that the allowance that is being paid at present to the members of the various committees formed by Government is Rs 10/- per day, it is necessary that the present daily allowance to be paid to the municipal Councillors be raised at least to Rs 5/- per day It was further resolved that as there are very rare instances of municipal members going out, that Government be requested to accord sanction to this proposal
